SECOND RIGHT OF REPLY
BY
H.E. AMBASSADOR WISBER LOEIS
INDONESIAN OBSERVER DELEGATION
ON ITEM 6
GENEVA, 19 AUGUST 1988

Mr. Chairman,

Bearing in mind the limited time available to the Sub-Commission to complete its debate on this item as well as in order not to involve the members of the Sub-Commission in a polemic situation, I just want to say briefly that my first right of reply is enough to answer all the allegations addressed to Indonesia by the distinguished Ambassador of Portugal.

I thank you, Mr. Chairman.
